**Subject:** Weekly Wednesday Update #2

Dear LILA OC Community,

Following last week's message, California adopted a [new State Reopening Framework](#) which impacts our potential reopening date. In the recently-released structure, Orange County is in the Widespread (purple) category. This unfortunately means that our reopening for in-person K-8 learning is not as imminent as we had hoped.

As it stands, our OC campus **will not reopen for in-person K-8 learning before Tuesday, September 22, at the earliest.** That said, we are actively working on a waiver application for our OC campus, in the hopes of welcoming students back sooner. We will keep the community apprised of any progress toward a potential waiver approval in our Weekly Wednesday Updates.
